8 March 2024

Dear Parents/Carers

## **Parents' Evenings Tuesday 19 March and Thursday 21 March 2024**

Our Spring Term parent consultation events will take place on the above dates. The purpose of these meetings is to discuss how your child is progressing in their learning, whether they are on track to meet age-related expectations in reading, writing and maths and some specific targets to aid their future progress. We expect to speak to the parent/s of every child so if you are unable to attend on the above dates please speak to your child's teacher to arrange a separate appointment at a mutually agreeable time. Appointments last for 10 minutes, therefore if you require longer than this to discuss matters in more depth, please make a separate appointment with your child's class teacher.

We hold these meetings face to face, however if you would prefer a phone call instead, please speak to your child's teacher. In the same way as previous years, there will be food and drinks served in the hall, as well as relevant information and a warm invitation to every family to spend time in our school. Mrs Shirley is available in the hall and around school all evening and if you require a separate appointment, please see Mrs Smith in the office to arrange this.

We would like to encourage children in Year 5 and Year 6 to attend the consultations with their parents. Pupils in other year groups are welcome too.

To choose your preferred date and time, please visit the School Ping app to make your selection. Appointments will be allocated on a first come first served basis. We really look forward to meeting with you and discussing your child's progress and targets for the coming year.

**Please complete your appointment selection via School Ping by Sunday 17 March 2024.**

Kind regards

Mrs M Shirley  
Headteacher
